A $\text{♩} = 52$

You lost your mind. I could not go. What little time we spent. A penny on the floor. My desperation a spinning top. Revolving on and on a world that never stops.

B

Is it all mine? How could I know? We threw the rind away swallowed all the core. Tried levitation. You're not alone. The stars are holding open a door we'll never close.

C

I have an engine made of gold. Something so beautiful the world will never know. Ah
